

VIRTUAL RECOVERY RESOURCE

This tip sheet describes resources that can be used to virtually support recovery from mental disorders and substance use disorders.

Staying Connected. In an infectious disease outbreak, when social distancing and self-quarantine are needed to limit and control the spread of the disease, continued social connectedness to maintain recovery are critically important. Virtual resources can and should be used during this time.

Virtual Recovery Programs

- **Collegiate Recovery Program (CRP) Seminar:** Support group for GT students. Virtually meets Tuesdays at 2pm and Thursdays at 3pm

- **The Chopra Center:** "*Anxious About the Coronavirus? Here Are Eight Practical Tips on How to Stay Calm and Support Your Immune System.*"

TIPS TO SET UP A VIRTUAL RECOVERY MEETING

To host a meeting on zoom:

1. **Set up a free account here:** When you set up a free account, you can only host a meeting for 45 minutes. To host longer meetings, you need a paid account.
2. **Schedule a meeting**
3. **Invite people to join a meeting**
4. **Create a flyer to publicize meetings.** This flyer is sent to group members via email and text, posted on self-help group's District Website and posted on door of the physical site that is closed in an attempt to reach anyone who shows up for a meeting.
